

MEGAN LAWRENCE

CLINICAL COORDINATOR - CNA

PROFILE

I am a driven, diligent, and dedicated professional with a proven track record of process improvement and building connections.

I currently lead a cohesive team of clinicians that provide exceptional patient care in the area of pain management. I pride myself in my ability to thrive in fast paced, dynamic situations and forecast the needs of my team to ensure continued operational success.

WORK EXPERIENCE

Clinical Coordinator **2016 - Present**

Florida Pain Institute - Melbourne, Florida

Leadership of clinical operations across three branch offices with 14 staff assigned. Responsible for direction, quality, and efficiency of pain management operations:

- Received several promotions in response to successful process improvement recommendations
- Lead Materials Management for all regional offices

"Navigator" / Barrista **2013 - 2016**

The Vinoy Renaissance Resort - St. Petersburg, Florida

Provided best in class services to our clientele through attentive customer service, quick and smooth purchasing transactions, discretion, inventory management and working with minimal supervision including opening and closing responsibilities:

- Nominated for the "R star" award
- Exceptional performance during high pressure banquet functions

Associate **2009 - 2012**

Dunkin' Donuts - Bradenton, Florida

Responsible for all aspects of the stores operation, ranging from customer service, handling of currency, as well as opening and closing of the store. Multitasking and a positive, upbeat attitude were paramount to the stores success:

- Recognized the buying habits of frequent customers and fulfilled orders based on specific client preferences

INTERESTS

I am passionate about volunteering, obstacle training, exotic food and traveling. I enjoy living a healthy lifestyle and always seek opportunities to broaden life experiences.
